Customer Advisory

2025 Across Wharf Charges (AWC)

Dear Valued Customers,

Consort Express Lines annually reviews its Across Wharf Charges (AWC) in line with the adjustment in rates provided to us by our port service providers. New AWC rates usually take effect from 1st January each year. However, due to the late notice of PNG Ports' 2025 tariff and subsequent delayed implementation date of 1st April, this was postponed.

We have now received all rates from our 3rd party suppliers and would like to advise our 2025 Across Wharf Charges (AWC) which shall apply to all shipments with a shipped onboard date on or after **1 April 2025**.
