## Implementation of Peak Season Surcharge (PSS)

Dear Valued Customers,

Please be advised that due to sustained high market demand, increased cargo volumes, continued equipment imbalance, and our vessels operating at consistently high utilisation across the network, CEL will be implementing a Peak Season Surcharge (PSS).

The surcharge will apply to all cargo shipped on or after **1 August 2026**.

The applicable PSS will be as follows:

<b>Equipment Type</b>	<b>Peak Season Surcharge</b>
20' Container	PGK 1,000 per TEU
40' Container	PGK 2,000 per FEU
Breakbulk	PGK 55.55 per revenue ton

This surcharge is necessary to support continued service reliability and the effective allocation of vessel capacity and equipment during the peak demand period.

Please [contact](#) your local Agency representative for further information.  
We thank you for your continued support and understanding.

Kind regards,

Consort Express Lines
